Fran Weir is a Licensed Massage Therapist, Shamanic Energy Practitioner, Karuna Reiki® Master, and is Certified in Advanced Holistic Wellness & Spiritual Psychology.

"My love of working with animal and spirit guides began 32 years ago in California under the guidance of Key Man Jim who studied under Michael Harner. After moving to Buffalo, I was guided to another Shaman Practitioner, Dr. Caryl Steiner, who studied under Alberto Villoldo where I journeyed through an advanced 4 year apprenticeship. I have been using this knowledge personally and in my massage practice, sharing and teaching this powerful healing art most of my adult life. I would be honored to share the journey with you - if it calls to you."

SHAMANIC TRAINING PROGRAM

*Intensify and Deepen your
Knowledge, Power and Skills*

TWO YEAR SHAMANIC TRAINING PROGRAM

Shaman means "the one who knows". They are the keepers of ancient techniques to achieve and maintain well being for themselves and others. In Shamanism, the maintenance of one's personal power is fundamental to well being.

This training is intended for those who understand the essential importance of inner work and feel they have a healing and spiritual calling. If you have reached a reasonable level of spiritual maturity and are committed to relating to Mother Earth & your personal growth, you will intensify and expand your knowledge, power and skills no matter where you are on your journey.

Curious? You are invited to attend the Introductory Workshop (which is required for the 2 Year Program).

Shamanism will fit into your present spirituality and will most likely be a **Re-wakening** of what you already know. It is powerful.

The Apprenticeship program includes:

- Working with Energy Fields
- Powers of the 4 Directions
- Medicine Wheel Teachings
- Meeting & Working with Animal Guides & Totems
- Connecting with Nature Spirits
- Journeying for Information
- Restoring Personal Power
- Ceremonies
- A Vision Quest
- Drumming & Trance Dancing
- Munay-Ki Rites

There is a commitment of 2 years, meeting every 2 months on Saturday 4-10 PM and the following Sunday morning 9-12 AM, for a total of 13 weekend sessions with each session building on the next. (It is recommended but not required to spend the night). The cabins in Colden are rustic & you will be immersed in nature.
